

ASSETS 2010

The 12th International ACM SIGACCESS
Conference on Computers and Accessibility

October 25 – 27, 2010
Orlando, FL.

ASSETS is the premier forum for dissemination of research on assistive technologies addressing needs of people with vision, motor, hearing, and speech impairments; cognitive limitations, including learning disabilities; and issues of aging.

Technical contributions accepted for presentation at ASSETS 2010 will be published in the Conference Proceedings and will be made available world-wide through the ACM Digital Library. Select authors will be invited to submit extended versions to a special issue of the ACM Transactions on Accessible Computing (TACCESS).
